

COIC YOUTH COMPASS PROGRAM

GUIDING YOUNG ADULTS TO SUCCESS

"My internship through the Youth Compass Program has given me administrative and event planning experience, and an opportunity to immerse myself in the needs of my community and earn full-time employment".

Our internship program provides youth with enriching and engaging work experience with local businesses all over Central Oregon.

FOR EMPLOYERS:

- Program fully pays for internship wages + liability insurance
- Pre-screening of applicants
- Customized training your way
- Less out of pocket training cost

FOR YOUTH PARTICIPANTS:

- Real life work experience with potential for advancement
- Education & training opportunities
- Career guidance and mentoring
- Potential for long-term employment

The **Central Oregon Intergovernmental Council Youth Compass Program** connects youth ages 16-24 to education and employment opportunities while also providing:

- Resume writing & interview prep
- Career Planning
- Mentoring & Leadership Development
- College transition support
- Paid Internships
